Loca 360° Surface Mount Single PIR Sensor - White

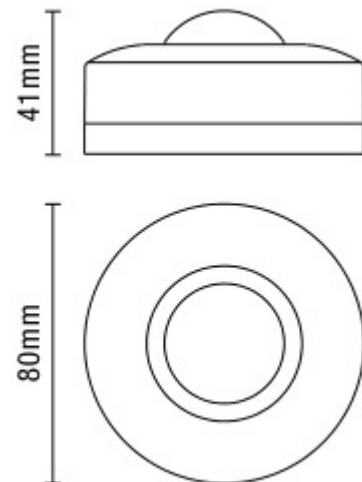

ZN-25153-WHT

The Loca Outdoor Surface Mount PIR Sensor is an excellent security addition to your home. Featuring a 360-degree detection range, it monitors a larger area for movement, activating the connected light when needed. The white finish gives this practical and efficient sensor a classic, charming look, making it a perfect match for modern households when paired with a floodlight or outdoor wall light. This outdoor PIR sensor enhances both security and style.
